The address of the headquarters: 21, Bukureška St., Belgrade

The Activity of The Association: 94.99 – The activities of other organisations based on the membership.

Association's activities cover the territory of the Republic of Serbia.

### **Article 3**

DISKURS (hereinafter referred to as: the Association) is a non-governmental organisation; it is a voluntary, nonpartisan and non-profit association of both individuals and legal entities, established for an indefinite period of time, for the purpose of achieving aims and objectives in the fields of the development and advancement of art, the media, culture and education.

## Article 4

DISKURS has been founded for the purpose of achieving aims and objectives in the fields of the development and advancement of art, the media, culture and education.

These are the aims and objectives of the Association:

- Arousing scientific, developmental and educational processes and work in the sphere of accomplishing new scientific results;
- Advancement and international specialist exchange;
- Organising gatherings in the spheres of arts, the media, culture and education, as well as related humanities and technical and technological sciences;
- Drawing up studies and analyses, publishing and presenting the results of scientific discoveries;
- Publishing activity for periodicals, as well as translated works which shall be published in Serbian;
- The development and advancement of art, media and cultural training programmes;
- Arousing innovations, the diversity of cultural expression, multiculturalism, availability, mobility, spreading and decentralization of art, the media and cultural practices;
- Arousing the production of artistic, media and cultural content using both traditional and contemporary technical and technological achievements;
- Collaboration and networking with local and international partners in innovative projects in the aforementioned spheres;
- Upholding the interests of the Association members before local and republic authorities;
- Collaboration with humanitarian organizations, benefactors and donors who wish to support the Association's activities;
- Establishing contacts and collaborating with the aim-related organisations in both Serbia and the world with the aim of providing funds and logistic support of the Association's aims;

- Organising socio-profitable and charitable work in the domain of the Association's aims;
- Initiating and developing the local, intercity and international cooperation and the exchange of knowledge, experience and good practice with other associations and engaged individuals;
- Achieving other objectives which can contribute to the development and promotion of the matters that are significant for the Association: DISKURS.

In achieving its aims and objectives, the Association shall involve in these activities:

- Taking all the adequate measures to reach all socially responsible aims along with the aims of the Association itself; and that shall be achieved through the activities undertaken by both the Association's bodies and members;
- Informing the general public and the members about the Association's activities, if necessary via publications, the media, Internet presentations and in other appropriate ways;
- Cooperation in all forms with primary, secondary and high schools, colleges, faculties, universities, and other relevant social factors in Serbia and abroad, along with the cooperation with all interested industrial, non-industrial entities and state authorities that can help the Association to reach its aims;
- The Association shall engage in all further activities that are in accordance with the aims and objectives and principles of the Association "Diskurs".
